OUR RESEARCH

We invite you to learn more about AKC Canine Health Foundation funded research. Our diverse portfolio of innovative canine health research grants aim to find better treatments, more accurate diagnoses, and an improved understanding of the mechanisms that cause disease in dogs.

AMERICAN KENNEL CLUB®
**CANINE HEALTH
FOUNDATION®**
PREVENT TREAT & CURE®

LEADING THE FIGHT AGAINST CANINE CANCER SINCE 1995

With over \$67.5 million invested in canine-specific health research, through innovation and lifesaving studies—we fight cancer to help all dogs.

Dogs enrich our lives—join our mission to enrich theirs through better health.
