Veterinary NURSES

Our ethos is simple; you cannot have the best medicine without the best people. At CUVS, we take a very different approach to hiring, training and empowering our people. And we promote a culture that brings out the best in everyone.

Practice Your Passion with Us.

ABOUT US

Cornell University Veterinary Specialists (CUVS) is a specialty and emergency veterinary center located in easily accessible Stamford CT. CUVS is a unique hospital – a private practice and an independent subsidiary of Cornell University, bringing the best of both worlds and also something quite different.

We are committed to our missions of education and discovery. Our commitment to innovative and advanced medicine, to learning, and to the highest level of client service has allowed us to attract a team of veterinary professionals with the same passions and values.

PRACTICE AT YOUR BEST

Veterinary Nurses are an integral part of the Nursing Team at our nationally renowned world-class institution. All of our veterinary nurses are credentialed and CPR certified. We have the resources to support individuals seeking to achieve specialty certification. We have developed a Nursing organizational structure with leadership positions, VTS mentorship, and training.

Actively seeking technicians, nurses and VTS candidates. Email hr@cuvscareers.org.

PASSION AS A PRACTICE

Finding your passion is important to us. Whatever pathway you choose, we have a plan and resources to support you. We are dedicated to helping our team members develop to their fullest potential, and are proactive in assisting each individual to achieve their professional goals.

Education is core to our mission. Our connection with Cornell University is a cornerstone of our employee development philosophy. We reinvest in our people through creative in-house learning programs, a mentorship program for aspiring veterinary technician specialist candidates and a hands-on approach to learning on the floor.

Compensation is competitive and commensurate with experience. Additionally, CUVS offers an unparalleled comprehensive benefits package, which includes medical, dental, and vision coverage, a continuing education allotment, 401k with employer match, and pet insurance subsidy and many more.

Individuals with a passion for their work, a strong sense of collaboration and teamwork, and an appreciation for diversity are strongly encouraged to apply. Visit cuvscareers.org or email hr@cuv.org.
